MGT 301 Holbein
Spring 2012
Test 1

Thursday January 12th

- In MGT 301, the keys to success are coming to class, taking notes, and studying the notes.
 - Test questions are taken directly from class material.
- The exams in this class consist of four types of questions:
 - Fill-in-the-blank questions,
 - Completing lists,
 - Definitions,
 - And news items from the Wall Street Journal.
- News articles used in this class will consist of:
 - Career news,
 - Illustrations of what we're learning in class,
 - Analyzing ideas and basic trends.

What are employers looking for?

- In potential employees, employers are looking for interpersonal communication skills, teamwork skills, ethics, knowledge of the real world, and analytic skills.
